

If you are taking a Field Trip, use Food Service to take care of your classroom lunch needs!

Taking a Class Trip?

Chartwells would like to offer your class the opportunity of providing lunches to your students while on Field Trips! It does not matter when or where you are going, we want to take care of your lunch needs! Each lunch would consist of a sub or Sunbutter, a fruit and veggie with milk. This would be at no cost to the school and the students would be charged at the normal lunch rate and on their account! Each class would have to submit a request form three days prior and their roster the day of the field trip with the student's meal order and we will take care of the rest!
