<p>Food Focus : Our Month focus is TOMATOES. Tomatoes support bone health, promotes healthy skin and boost immunity. The Vitamin A in tomatoes aids in improving Vision. The average American eats roughly 24 pounds of tomatoes each year. In 1893, the UNTIED STATES Supreme Court designates tomatoes a vegetable. Tomatoes are the state vegetable of NEW JERSEY.</p>				
A Full Student breakfast includes a choice of entrée supplying grain and/or protein, a fruit side and choice of milk.
