MISSION STATEMENT

Ledyard Public Schools facilitates experiences for our community that cultivate a joy for learning, perseverance, independence, and social responsibility through innovative teaching practices.

PARAPROFESSIONAL EMPLOYMENT POLICY

This handbook neither implies nor establishes a contract between the Ledyard Public Schools district and the paraprofessionals. The contents of this handbook are intended as guidelines only. Nothing in this handbook should be construed as a guarantee of continued employment, but rather, employment in the Ledyard Public Schools is on an at-will basis. This means that the employment relationship may be terminated at any time by either the employee or the district for any reason not expressly prohibited by law. Any written or oral statement to the contrary by a supervisor or other agent of the district is invalid and should not be relied upon by any prospective or existing employee. All paraprofessionals must follow Board of Education policies.

HANDBOOK REVISIONS

If any changes are to be made to this handbook, paras will be notified before said changes are made and have the opportunity to discuss it with the Superintendent first.

ATTENDANCE

When paraprofessionals are hired to work in Ledyard Public Schools, the expectation is those individuals will work the 180 days school is in session for that year, plus designated professional development time that may be required. The Board understands that continuity of programs is important for learning; as a result, vacations should be taken during school holidays. When it is not possible, vacations may be taken with adequate written notice and approval of the principal. From time to time, family and other personal obligations may arise; paras will notify their principal of any days missed due to illness or personal leave. *(See Appendix A-Paraprofessional Leave Request).*

CHILD ABUSE (Reporting of)

Paraprofessionals must abide by the BoE Policy 5141.4 - Reporting of Child Abuse & Neglect.

COMPENSATION

In 2018-2019 Paraprofessionals will receive \$.25 increase per hour. Those paraprofessionals hired at Step 1 in 2017-2018 and who have completed 6 full months of continuous service at the conclusion of the 17-18 school year will receive \$13.92 per the 17-18 Paraprofessional Handbook. Those paraprofessionals hired for less than 6 months of continuous service in 2017-2018 will receive the standard rate for the 2018-2019 school year.

2018-2019

Standard Rate - \$12.28

- Increases to this rate may be considered by the Board of Education through the budget development and approval process.

A Full-Time Equivalent (FTE) paraprofessional position shall be defined as 30 hours per week.

Paraprofessionals returning to Ledyard Public Schools after a break in employment will be rehired at the standard rate for the current school year. Paraprofessionals who have retired from Ledyard Public Schools with a minimum of 10 years of consecutive service may work as a substitute paraprofessional and will receive the last hourly rate earned before retirement.

The Superintendent, or designee, may determine salary based on, but not limited to: experience as a paraprofessional or teacher; educational background, skills, and certification; or the requirements of the paraprofessional position. A stipend may be added to the standard rate in certain specific instances of student need. This may include, but is not limited to, braille, sign, behavioral intervention, language facilitation, or autism spectrum disorders.

There is no compensation for delayed start and early dismissals. Paraprofessionals will be paid for actual time worked.

For the purposes of standard salary rate increases in 2019-2020, those paraprofessionals hired prior to January 31, 2019 will be credited with one-full year of service.

PROFESSIONAL DEVELOPMENT AND TRAINING

The Board has authorized that paraprofessionals may be compensated for up to 10 hours each for professional development and training pertinent to their roles and responsibilities. These additional 10 hours must occur outside of the paraprofessionals regularly scheduled work hours. Such training may be held on professional development days, regional PD days, and before or after school hours.

The topics for professional development and training will be selected to meet the needs of the students and to address district and school goals. Examples of training and topics may include, but are not limited to: literacy instruction and intervention; mathematics instruction and intervention; behavior management strategies; physical and psychological management (PMT); or supporting technology acquisition.

School principals and central office administrators have the authority to require paraprofessional participation in professional development and training. School principals and central office administrators have the authority to determine the relevance of professional development topics to a paraprofessional's assigned roles and responsibilities.

COMPLAINT PROCEDURES

A complaint shall be defined as a disagreement between a paraprofessional and a teacher or administrator arising out of a specific section of this Paraprofessional Handbook.

If a paraprofessional has a complaint, the matter shall first be discussed with the building principal and/or administrator within *five* (5) days of the incident in an effort to resolve the matter informally. The principal and/or administrator will render a decision within *five* (5) days. "Days" herein shall mean days when the Board of Education office is open for business.

If the paraprofessional is not satisfied with the outcome of the informal procedure, he/she may submit a written request for a review by the Administrator of Human Resources within ten (10) days after the date of the informal decision. Within five (5) days of the receipt of such request, a conference with the complainant, a paraprofessional representative (if requested by the complainant), and the building principal and/or administrator shall be scheduled to take place. If the matter is not resolved at the conference, the Administrator of Human Resources shall within five (5) days express a decision in writing with copies to the complainant and the building principal and/or administrator.

If the decision of the Administrator of Human Resources is not accepted by the complainant, he/she shall make a written request for a meeting with the Superintendent of Schools. Said meeting shall take place within five (5) days of the written request. A final decision shall be made by the Superintendent of Schools within five (5) days of the meeting and conveyed in writing to the complainant, the paraprofessional representative and the building principal and/or administrator.

DISCIPLINARY PROCEDURE

No paraprofessional shall be discharged or disciplined without just cause. Just cause for discipline or discharge shall include, but not be limited to, violation of Board of Education policy, improper behavior, incompetence, insubordination, making the paraprofessional's continued presence in his/her position unacceptable.

ELECTRONIC MAIL

Electronic mail (E-mail) service is provided to employees of Ledyard Public Schools for the purpose of conducting the business of the school system. The Ledyard Board of Education encourages the use of E-mail to share information, improve internal and external communications. All paraprofessionals will be assigned an e-mail account on the ledyard.net system. Please see your principal to request an e-mail address. The full policy 4118.4/4218.4 is available online at http://ledyard.ss7.sharpschool.com/board_of_education/BOEPolicyManual.

END-OF-THE-YEAR NOTIFICATION

Near the end of each academic year, paras will be informed of any openings and be able to express preferred assignments and school solely for the purpose of placement and will be given due consideration during the assignment process. A preference does not guarantee a particular assignment or school (Appendix B). Due to funding and staffing uncertainty, non-binding letters will be prepared for all paraprofessionals who are scheduled to return in the fall prior to the end of the school year. Specific hours and assignments will be provided shortly before school begins. If the district administrator does not anticipate a paraprofessional returning due to performance or reduction in force, the paraprofessional will be notified at the end of the school year.

EVALUATION

Paraprofessionals will be evaluated annually at the end of each school year. (See APPENDIX C)

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

Paraprofessionals are required to comply with the BoE Policy 5125 - Student Records; Confidentiality.

Parents entrust our staff with their most precious possession, their children. While at school, parents assume and deserve the right of privacy as to the academic performance and demeanor of their children. Information about students "good", "bad" or "neutral", is to be considered confidential. Employees responsible for breaches in the confidentiality ethic will be subject to disciplinary action up to and including termination.

FAMILY AND MEDICAL LEAVE

Paraprofessionals will be eligible for leave in accordance with the Family and Medical Leave Act of 1993, as amended.

JOB DESCRIPTIONS

LUNCH

Paraprofessionals who work more than 4.5 hours per day will take an unpaid one-half hour lunch break; paras who are assigned to supervise classroom lunches during the one-half hour lunch break will be paid for that time. In the event of a 2 hour Delay, no paraprofessional would be required to take an unpaid lunch period.

MANAGEMENT RIGHTS

The rights, powers, and authority held by the Board of Education *over* the complete operations, practices, procedures, and regulations with respect to its employees and the operation of the Ledyard Public Schools shall remain solely and exclusively in the Board, except as otherwise prohibited by law, including, but not limited to, the following:

Paraprofessionals should communicate to their building representative any issues that they wish to be included in the meetings with the Superintendent and/or Designee.

Paraprofessionals will share building-level concerns with school administrators. Paraprofessional representatives are expected to meet with their building principal every other month.

PARAPROFESSIONAL WORKING AS A SUBSTITUTE

Paraprofessionals who agree to serve as a substitute teacher will be paid per day at the LPS current rate of pay for regular substitute teachers. If a paraprofessional is asked to serve as a substitute teacher and his/her rate of pay is higher as a paraprofessional, the higher rate will be paid. Paraprofessionals can refuse to accept the sub position without any ramifications.

PAYROLL PROCEDURE

Paraprofessionals are expected to fill out a time record using the required method and submit it per the designated procedure. Time is then forwarded to the district's payroll and benefits coordinator in Central Office. Any questions regarding pay should be addressed to the payroll and benefits coordinator.

Employees shall receive pay stub information in a paperless electronic format. Direct deposit is required.

REDUCTION IN WORKFORCE

If the Board determines that a Reduction in Force is needed, qualifications and performance shall be the factors that will be used in determining staff members who would be reduced. If qualifications and performance are equal, seniority shall be the determining factor.

SENIORITY

Paras will be awarded one year of seniority for each year worked in Ledyard Public Schools. For paras hired for a portion of a year, one-year seniority will be granted if the length of service is 92 days or more.

An employee's seniority shall be lost if:

Paid sick days will be earned at one-half sick day per month (September - June) to a total of 5 per year. Sick pay is calculated on the actual hours scheduled on the day when the paraprofessional calls out sick.

WORKER'S COMPENSATION

In the event a para is injured while in the performance of his/her duties, he/she is eligible for Worker's Compensation per state statute.
